STRESS FREE CHECK-OUT

Is your wedding party responsible for each of their services or is it your gift to each of them?

An option is to gift them each a gift card for whatever amount fits your budget and let them be responsible for any additional charges.

Let us know and we will customize a plan for you and your bridal party.

RESERVATIONS

To hold the reservation for your wedding day we require a valid credit card to be saved in our secure data base. A \$50.00 charge will be charged at that time. That amount will be deducted from your total on your wedding day.

2 weeks before your wedding, we ask that you confirm everyone that is scheduled for your wedding day. Substitutions for services can be made at that time. For example, you have a bridesmaid that decided to style her hair herself. You may substitute someone else for that reservation. At that point, after all changes and updates have been confirmed, charges will be confirmed for all reservations and no other changes will be made.

WEDDING PREVIEW HAIR & MAKE-UP (SEPARATE CHARGE)

We suggest that you schedule with the hair stylist and make-up artist of your choice for a pre-view service for your wedding day formal style and formal make-up. Please share photos of inspirations and details so we can create the perfect wedding hair and make-up for your special day.

Meet with our Salon Coordinator on your Preview day to review details to make your wedding day experience perfect!

Do you want to bring in refreshments for your bridal party?

Do you want to reserve the salon exclusively for your wedding party? (extra charges may apply)

Would you like to reserve The Loft for your bridal party's private dressing room access? (see The Loft information page)

WEDDING DAY

On your wedding day we ask that everyone arrive at the same time. For example, if your services begin at 9am, we ask that everyone arrive at 9am. This allows for everyone to mingle and enjoy your refreshments and the excitement of the day. This also allows all our service providers the opportunity to promptly complete one service and efficiently begin the next.

We sincerely thank you for choosing Lasting Impressions Salon & Spa for your beauty headquarters for your wedding day.
