

March 17, 2020

Dear Lasting Impressions Salon & Spa Clients,

We know that there is widespread concern in our community about the Coronavirus (COVID-19), and we want you to know that the health and well-being of our team members and our clients is our top priority.

With the increasing uncertainty and growing number of infected individuals around the world, we encourage you to take responsibility for yourself and your family to help prevent the spread as much as we can. With that said and after careful consideration, we have made the decision to temporarily close the salon for the health and safety of our staff, family and clients. You may also notice that our on-line booking feature on our website has been disabled.

We will keep you informed with a RE-OPEN date, as soon as we know when that will be. In the meantime, we encourage you to visit the APP STORE on your phone or personal device and download our POCKET SALON APP. This will allow you to securely communicate with your stylist or massage therapist and allow you to RE-SCHEDULE your appointment with your preferred professional. Please visit our website [www.lastingimpressionsspa.com](http://www.lastingimpressionsspa.com) for re-stocking your favorite Aveda products and please consider purchasing an on-line gift card ([click here](#)) for yourself. Your gift card can be used for your future services and/or products and is greatly appreciated!!!!!!

We have always considered Lasting Impressions Salon & Spa to be a haven of Happiness and Joy for our clients and our team members. We APPRECIATE you so much and pray that in this time of uncertainty, we can reflect and gain a deeper appreciation for the blessings we have.

LOVE & LIVE LOCAL
